DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 59 and 60 have been amended as follows:

--Claim 59 The occlusive device of claim 54, wherein said end loop has a diameter of about 2 mm.—

--Claim 60 The occlusive device of claim 57, wherein said end loops each have a diameter of about 2 mm.—

2. The following is an examiner's statement of reasons for allowance:

3. The prior art of record fails to disclose or suggest an occlusive device comprising a vasoocclusive coil being formed from a plurality of twisted strands. This limitation, in combination with all of the limitations of claim 54, makes the claim allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jessica R. Baxter whose telephone number is 571-272-4691. The examiner can normally be reached on M-F 8:30AM - 5:00PM.
